Subject: Annual Report on Obsolete, Unnecessary or Duplicative Rules as Required by
Minnesota Statutes, Section 14.05, Subdivision 5

Dear Governor Dayton, Senators, Representatives, and Revisor Marinac:

Minnesota Statutes, section 14.05, subdivision 5, directs the Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience and Interior Design ("Board") to report to you by December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

In its last report, the Board declared its intention to repeal portions of M.R. 1800.3505, subpart 3. This rule modification is included in rule package R-04374. The Dual Notice for this package was published in the November 6, 2017 issue of the State Register. The Board anticipates adoption of the rules in early 2018.

The Board has completed its annual review of its rules and has not identified any additional obsolete, unnecessary, or duplicative rules.
