Subject: Annual Report on Obsolete, Unnecessary or Duplicative Rules as Required by *Minnesota Statutes*, Section 14.05, Subdivision 5

Dear Governor Dayton:

Minnesota Statutes, section 14.05, subdivision 5, directs the Office of Higher Education to report to you by December 1 of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules.

The Office of Higher Education has reviewed its rules and the following rules have become obsolete over the course of the last year and should be repealed. The rules are as follows:

- Minnesota Administrative Rules [4830.9050 - 4830.9090](#)

Our office will repeal these rules during the 2018 legislative session attaching repealer language to our agency policy bill. These rules pertained to the Minnesota National Service Scholars Matching Grant. The program and appropriations for the grant had been previously repealed making these rules obsolete.

No rules were repealed in 2017.

Sincerely,

A handwritten signature in cursive script that reads 'Alexandra Djurovich'.
